Dear Sir

Preparations for the Herefordshire Masonic Year book for 2012 are now underway.

The opportunity is therefore available to reserve advertising space to promote businesses in next year's edition.

Copies are distributed in April to the 46 other Provinces in England and Wales and to each of the Lodges and members in this Province who refer to it throughout the year.

A full page advertisement can be place for as little as £70.00.

If any of your members have or know of any business, company or partnership who would be interested in placing an advert in the 2012 – 2013 Herefordshire Masonic Year Book please contact W Bro Tony Crockford (contact details above) **as soon as possible**.

Yours sincerely and fraternally

A J Crockford
